Gal power

Erica Aultman had joined Sisterhood for Good at last year's Galentine event.

Now it was her turn to convince other women in the Lakewood Ranch community and beyond to become part of a women's giving circle of the Lakewood Ranch Community Fund.

On Feb. 12 at Gold Coast Eagle Distributing in Lakewood Ranch, the annual Galentine's event drew 130 women, many of them guests who were considering joining a giving circle.

"As individuals, we give back," Aultman said. "But being in the Sisterhood for Good allows you to do it at a deeper level."
